## Disclosure of Credit Rating Form

Date	30/04/2026
Name of the Listed Company	Kuwait Investment Company
Entity who issues the rating	"Fitch Ratings"
Rating category	BB
Rating implications	<p><b>The rating primarily reflects Fitch's view that:</b></p> <ol style="list-style-type: none"><li>1- The basic Issuer Default Rating of the company reflects its ability to manage liquidity well over the past several years, maintaining unused credit lines as well as cash and short-term investments.</li><li>2- The Kuwait Investment Authority will continue to support the company - if needed.</li></ol>
Rating effect on the status of the company	<b>The rating BB is a reaffirmation of the latest rating granted by Fitch.</b>
Outlook	<b>Stable</b>
Translation of the press release or executive summary	<p><b>General summary:</b></p> <p>Fitch sees KIC's long-term credit rating as BB which reflects the company's Standalone Credit Profile of B+ and the high probability of obtaining support - in case it is needed - from the major shareholder, the Kuwait Investment Authority, due to its continuous association and contribution to KIC through participation in the board, and business generation.</p> <p><b>The detailed report can be found on the following website:</b> <a href="http://www.fitchratings.com">www.fitchratings.com</a></p>
